Graduation Ceremony 2021

On Sunday, July 7, 2021, the International School of Choueifat – Manama celebrated the graduation of the twelfth batch of students with a special on-wheels ceremony for the 61 graduates. The ceremony began with the Bahraini National Anthem, followed by a welcome from the School Deputy Director who congratulated students and parents and wished them success in their future endeavors. The School Director then delivered a speech in which he also congratulated the graduates and their parents encouraging them to continue on the path of education and work hard to overcome the challenges that lie ahead. Following the speech, students, Yousef Jalili and Maryam Mohammed, delivered the graduates' speeches in Arabic and English expressing their pride in their accomplishments.

Back to School

It was once again that time of year. Summer had come to an end, and the new academic year had begun. Unsure of what to expect, students entered the school greeted by adorable, popular, cartoon characters such as the Smurfs, Mickey Mouse, and Minnie Mouse. Parents and students alike had the opportunity to pose for photos in front of the fantastic, colorful "Welcome Back to School" backdrop, which exuded a lot of energy. However, the surprise had not yet ended. Each student in Grade 5 and above received a small heartwarming note wishing them a sweet year as they entered the school. It was a warm and friendly first day of school.

Bahrain 50th National Day

Our school hosted an extravagant event to show our love and appreciation for the glorious Kingdom of Bahrain on the occasion of our National Day. As part of these celebrations, students participated in a “walk through tradition,” where they had the opportunity to try out various traditional crafts. There were also game stations where students could enjoy multiple games and activities. Students and their parents enjoyed exploring Bahrain and its culture.

Spelling Bee

ISC-Manama successfully hosted a Spelling Bee for students in Grade 5 and 6 earlier this month. All contestants were of a very high caliber and gave impressive performances. The final winners were Emma Kuster in Grade 5C and Nafisa Ahmed in Grade 6B. We would like to congratulate them, and all the students who participated in the event.

Sports Days

Our annual sports days were held for grades 5 to 7 on three consecutive Thursdays beginning October 28, 2021. Students were thrilled to see such events return to our campus after COVID-19 restrictions. More than 300 students participated in various games such as tug of war, football, running, and many others. The sports days were full of energy, which raised expectations for next year's event.

School Picnics

As the weather is getting cooler in Bahrain, we took the opportunity to enjoy the outdoors through a good old-fashioned picnic. KG1 - Grade 4 students had the chance to sit outside in a picnic setting with their picnic baskets under the shiny bright sun and got to tell us a thing or two about their favorite, stuffed toy friend.

Mad Science Shows

Our students enjoyed a jam-packed 60-minute show of mind-blowing science! There were giant smoke vortices, levitating beach balls, fire flames to grab, and a lot of learning. Students in grades 3 and 4 were called on stage to assist with the experiments, and they were extremely happy.

Kite Flying Day

Another great way to enjoy the beautiful breezy weather was with our Kite Flying Day held on October 27/28, 2021. On this day, students got to fly colorful kites outside on the football pitch with their teachers. The event was definitely a favorite of ours since we got to see the beautiful bright smiles on our students faces!

Dental Awareness

This is an event that was both fun and informative. A group of dentists from Al Seef Dental visited our students in their classrooms and explained to them through visuals how to care for their teeth in order to keep a beautiful, clean, and bright smile for many years to come!

International Arabic Day

On Wednesday, November 17, 2021, the school celebrated the International Day of the Arabic Language, which falls on December 18. Thirty-six (36) students of various ages presented various texts from our literary heritage, accompanied by speeches and words that contribute to the Arabic language's status and realization of its role in global civilization.

Games Night

The annual Seniors and Juniors Game Night was held on Thursday, November 18, 2021. Game night is an event where seniors and juniors and their teachers participate in fun, challenging activities and games to create memorable moments with one another. This year, the seniors planned a series of challenges that allowed the seniors, juniors, and teachers to bond and create beautiful, lasting memories. It was a truly unforgettable evening.

SLO Stories

Social Care

More than 60 High School students helped maintain and prepare the Bahrain Association for Parents and Friends of the Disabled to welcome back children with special needs after a long period of closure as part of the social responsibility programs implemented by the ISC-Manama SABIS® Student Life Organization.

ISC-Manama has also joined the global community in raising awareness about breast cancer. Our students took part in various activities, including a bake sale organized by the Pink Power Prefects to benefit the Bahrain Cancer Society's efforts to assist cancer patients in Bahrain.

Students in grades 5–7 also organized a campaign to collect new toys for children with cancer. Students decorated the toys and attached a message to them.

Little Chef

On November 16, the SLO Lower School Department hosted a “Little Chef” event for Grade 2 students. On this day, students learned how to make healthy sandwiches. This wonderful event, which concluded with healthy sandwiches and fruits, was attended by over 100 students.

Smile Day

It was a beautiful Thursday when the SLO Outreach Department celebrated World Smile Day on October 7, by spreading smiles throughout the whole school. Prefects greeted students from Kindergarten to Grade 1 with smiley emojis. Primary students enjoyed lunch break activities, which made everyone happy.

School Trips

Many of our students look forward to school outings with their class:

This term, students in Grade 5 visited Alareen Wild Life where they participated in a treasure hunt that included 45 species of animals and 82 species of birds.

Graves, Dilmun, Tylos, Islamic era, Customs and Traditions, Traditional Trades and Crafts, and Documents and Manuscripts, were among the topics covered by Grade 6 students during their visit to the Bahrain Museum.

At Jump Up, students in grades 7 and 8 had a great time jumping and participating in team-building activities.
